

Designed to Fit Under Tables

RKYZ12 is a 12U mobile rack made with furniture grade laminates and stylish aluminum side grills panels. It features front 12U rack rails for equipment storage accessible from front and back with front and rear locking doors. It offers cable access on sides, top and bottom through grommets and it stands on modern casters (front two lock). Rack height allows the unit to be stored under tables & desks with easy access.

Standard Features
